Antoine Bryant, NOMA, Assoc. AIA, SEED

NOMA Council Representative
William J. Stanley, III, NOMAC, FAIA

NOMA HBCU Representative
Nea Maloo NOMA, FAIA

Newsletter Editor
Kwesi Daniels, NOMA

NOMA Resolution December 12, 2019

BE IT RESOLVED the membership and Board of the National Organization of Minority Architects (NOMA), expresses its sincere condolences to the family of Mr. Harry Overstreet, NOMA's 14th National President.

We join the Overstreet family in mourning the loss of such a great man, friend, mentor and architect. He was notable for his visionary commitment and passion in welcoming minority youth into the field of architecture. Mr. Overstreet made an indelible impression on all who he encountered and his activism to foster inclusion in the architecture profession is profoundly commendable.

NOMA appreciates having had the privilege of including Mr. Overstreet among our ranks as one of our most dedicated and involved members. Harry graciously served as NOMA President from 1989-1990 and initiated the efforts that would eventually establish student chapters of NOMA, now known as the National Organization of Minority Architecture Students (NOMAS), which includes over 600 students at more than 80 schools in 2019. Mr. Overstreet was a champion in his local chapter and throughout the broader national NOMA community.

Mr. Overstreet will be remembered for all the love, joy and wisdom he imparted on his family and friends throughout his life. He will be sorely missed, but we shall take solace in the fact that his legacy will live on through all of those who he has mentored and supported in the field of architecture and beyond.

Sincerely,

Kimberly Dowdell, NOMA, AIA, NCARB, SEED, LEED AP BD+C
2019-2020 NOMA National President

Bryan Hudson, NOMA, AIA
2017-2018 NOMA National Immediate Past-President

cc: Julian Owens, NOMA National Secretary
